

## BLOCK DIAGRAM

	1	2	3	4	5	6	7	8	9	10	11
	Index										
A		Power supply block & sub block									
		DAQ & its TB Block & sub block									
		Sensors & Its SC Block & sub block									
B		Actuators & its Drivers Block & sub block									
		Panel Box, containers & sub block									
		3 Phase AC									
		1 Phase AC									
C		Earthing									
		DC 220 V									
		DC 24 V									
		DC 15 V									
		DC 12 V									
		DC 9 V									
		DC 5 V									
D		DC 3.3 V									
		DC Ground									
		PC DAQ interface									
		DAQ AO's									
		DAQ									
		AI's									
		DAQ DIO's									
		DAQ AO									
E		DAQ AI									
		DAQ DIO									
		Control									
		Transfer									
		Liquid									
		Flow									
		Air Flow									
F		VS Voltage Sensor									
		CS Current Transformer									
		CT Current Sensor									
		Limit Switch									
G		DC FAN
